

General Attendee Info

Postponement of Play

The USGA will have meteorology staff on-site monitoring the possibility of dangerous or inclement weather. If hazardous weather conditions are approaching, special “weather alert” signs will be displayed on leaderboards and video boards around the course. When the sign appears, fans are advised to take immediate precautions (including clearing grandstands) PRIOR to play being suspended. In the event of a weather alert, please avoid open areas, isolated trees, golf carts and wire fences.

If play is suspended, indicated by one prolonged air-horn blast, it means that dangerous weather is in the vicinity. In the event of a suspension of play, grandstands will be cleared immediately. Play will resume as soon as conditions allow. Resumption of play occurs with two short blasts of an air horn, repeated once.

Fan Guide

The Fan Guide will be a valuable resource for information as you and your guests prepare to attend the championship. The Fan Guide contains general parking and transportation information, a schedule of events, a detailed course map, as well as other important championship information.

The Fan Guide will be available on the U.S. Open website as the championship draws near. You will be able to provide this information to your guests, so they can become acclimated with the course layout, the location of your hospitality area, and championship policies prior to their arrival.

Pairing Sheets

Pairing sheets provide the starting hole number and tee time for each group of golfers during the championship rounds (Thursday – Sunday), as well as a detailed map of the course. Pairing Sheets will be available on the U.S. Open website and on the U.S. Open mobile app as soon as they are released.

Note: Players determine their own pairings and tee times during the practice rounds (Monday-Wednesday). The practice round pairings and times will be communicated via the Practice Round Boards located throughout the course as well as on the U.S. Open mobile app.

Grandstands

Grandstand seating will be located at strategic viewing areas throughout the course and available to all fans on a first-come, first-served basis. Access to grandstands will be closed once each specific grandstand reaches capacity.
